THIRD AGE LIVING CONNECTION

HSHS St. John's Hospital invites you to join our innovative program designed with you in mind.

If you are **55 or older**, the Third Age Living Connection program can provide you with empowering information, enlivening connections and a new community of friends, enabling you to stay productive, healthy and independent well into the future.

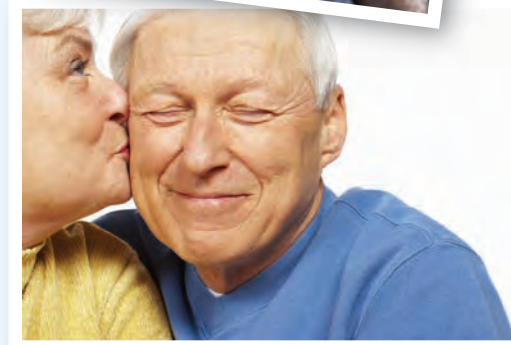

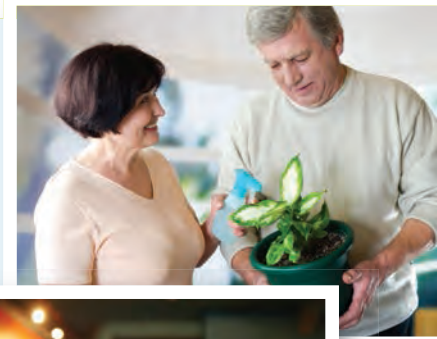

Benefits of the program include:

- Discounted admission to Third Age Living Connection Lunch and Learn programs (six per year)
- Coupon for one free Lunch and Learn guest admission per year
- Third Age Living Connection newsletter (published three times a year)

With your one-time membership fee of \$10 per person, you will receive a membership packet including a membership card entitling you to all benefits. This packet provides additional information including a calendar of events and details on how to take advantage of each benefit.

Research shows that 80 percent of individuals **over 55** are concerned about their health and well-being. St. John's recognizes that need in Springfield and provides the Third Age Living Connection program to you as a resource.

If you have any questions about the program, please call Catherine Spannagel, Third Age Living Connection Coordinator at (217) 814-7797.

Please enclose this completed form in the provided return envelope along with your one-time membership fee of \$10 per person. You will receive your membership packet in approximately two weeks.
